JOURNEYMAN/HOT APPRENTICE LINEMAN

Salmon River Electric Cooperative, Inc., an Idaho based electric utility, has a position available for a Journeyman/Hot Apprentice Lineman. This position will report to our headquarters in Challis, Idaho. Challis is a small rural community nestled at the gateway of the Frank Church Wilderness, the largest designated primitive area in the Continental U.S. Challis is a great family-oriented community and the area abounds with recreational opportunities.

Qualifications:

- Successful completion of an approved apprentice training program and/or journeyman lineman certification required.
- Hot Apprentice must have completed a minimum of 4300 hours on the job training in an approved apprenticeship program.
- Must have or be able to obtain an Idaho Class A Commercial Drivers License.
- Must pass a job-related pre-employment physical examination and drug screening test.

Requirements:

- Performance of all responsibilities required of journeyman lineman status including, construction, maintenance and repair of overhead and underground distribution and transmission systems.
- Rotational on-call duties.
- Knowledge of RUS construction standards and experience with hot sticks is preferable.
- OSHA certifications.

We offer competitive benefits. Applications will be accepted until position is filled. To apply, submit your cover letter, resume and references to:
